Hi Karen

I have suffered from a sensitive scalp for as long as I can remember. Having tried everything from usual prescriptive medicated shampoos and creams to natural products and supplements to eliminating various food groups, nothing worked.

Within a week of using the **salve and shampoo** from the Ruggle-it range, along with taking the **probiotic supplement Protexin**, my scalp had cleared up and to date, the sore areas have not returned!

I am now using the products regularly as a [REDACTED] Thank you Ruggle-it!

Becky, South Wales
