Hello Karen

I have been using your oil for a while now, it is great on most things.

I have enclosed a photo of my dog's eye with a growth on it {it got bigger than in the photo}.

The vet gave me a cream to put on it, and said if it didn't work he would have to take a biopsy to see what it was.

The cream did nothing so I tried your oil, and **within days it went down, it disappeared in 6 days.**

Thankyou.

David & Michele Heath.

Many thanks to **Mr & Mrs Heath** for taking the time to write this feedback & take the photos.
