Subject: Ailsa MacDuff Your Ruggle-it feedback

When my two boys **noticed my hair** after using your **shampoo** I was pleasantly surprised! I didn't expect **my hair would actually 'look' different!**

I **don't have to wash** my hair everyday now which I was having to do with other shampoo even the organic variety. So **your shampoo is not stripping the natural oils** which is brilliant!

I treated **my cat** who has had a **chronic flea infestation**. I used your skin **salve**, and not only did he allow me to put it on but **didn't lick it off!!!**

I will always use your products because they work. They [REDACTED] [*help the skin recover*] and **calm down damaged skin**, the **shampoo smells divine** and I **highly recommend** to anyone who has any skin issues **animal or human!!!** I will always provide feed back when a **product achieves such brilliant results**, you deserve the praise indeed!
