Hi Karen

My parcel arrived today. Bjorn is now suitably covered and **out without his fly rug on** in the lovely

sunshine.

I dont know what he would do without his spray!

It was great to talk to you yesterday. Thank you for your help.

Stay safe and I wish you all the best.

Kind regards

Sadie and Bjorn.

Hi Karen

You can use my comments as feedback to potential customers. If it would help, I would be happy for you to give them my contacts, if they wanted to speak to a person that uses the **product regularly and successfully.**

I **don't** have any before photos of when he was **really sore** but I'll find some of when his **mane** was a lot shorter and of **now where it is lovely and long.** Although it's not really about that.

Its the fact that my **dear boy is comfortable and itch free,** which was **driving him mad.**

He **couldn't concentrate properly when he was being backed** and **started** as the **itch and soreness was so intense and distracting for him.**

Now, with his **Ruggle-it, he is a happy and well rounded soul** and **we have a lot of fun** learning new things together all the time!

Many thanks

Kind regards

Sadie and Bjorn
