Dear Mrs O'Neil

**Feedback – can you help us please?**

Whatever we might say about our products is really just an irrelevance as we might be selling fridges to Eskimos! What 'real life' users say in writing and/or on Forums is what **really** matters & can often help give others **confidence** in our unusual approach to 'good health'. Might you kindly complete the following & return it in the enclosed SAE?

1. Which products have you used e.g. *Ruggle-it, Protexin Probiotics, Maxavita Green Lipped Mussel (Pernamax or Revitaflex), Pillules, Green Barley Grass, OM3-rich Salmon products, natural Skincare, other?*
2. Did you use them on dogs, cats, other pets, horses, alpacas, farm animals, chickens, children, yourself, etc?  
*horses, dogs, myself*
3. For what issue(s) are you using the product(s) e.g. head lice, joint stiffness, flies/midges, mud issues, itching, etc?  
*itching*
4. Your comments on the product(s): (feel free to continue onto the reverse or another sheet if you wish)

*all products are very good indeed and suit myself and my dogs very well. No more itoring and no more sleepless nights!*

5. Any other comments about Ruggles & Stopitall Ltd?  
*The service is marvellous and a lot of my friends are saying the same.*

Your Name M. O'Neil Postal Town Surrey Signature [Signature] Date 2.6.16

Finally, would you consider allowing us to use your feedback/photos for our website and/or within some PR? We fully understand if you'd rather not and/or rather leave it for a little while longer...but we hope you won't mind us asking all the same. If it's OK to use it, **please advise whether to use your full name & town, or just initials & town** (or any other variant!). \*(This form is for internal purpose only; permission is always sought before any comments are quoted.)

**Thank you very much**  
We greatly appreciate the time you've kindly taken to help us.

*All the best Karen & Jean Ross Ltd*

Many thanks to **Mrs O'Neil** from **Surrey** for taking the time to write this feedback.

**Note:** Whilst we are hugely grateful for all the telephone feedbacks we receive on our products, only ones received in writing will be considered for inclusion on this web or as part of any PR...so that readers have peace of mind that we're not making this up! All quoted testimonials can be viewed at our offices.
