Dear Karen,
Just to say how thankful I am that I took your great advice from you and your team, who I must say are brilliant.

As you know I suffer or used to suffer from bad symptoms of hayfever and a severe allergy to cats. Where my eyes and nose would run when being in contact with cats for more than 15 or so minutes.

As you suggested I dosed up on biokult and my symptoms of both hayfever and cat allergy decreased and now is very much under control. which I am very pleased at, particularly as I used to dread the Summer.

Anyway many THANKS for all your help

All the best
Miss E Stone
