Fishing Notes

Chris Cassell fished Todber Manor's Paddock Lake last week and banked a new personal best mirror carp of 9lb 8oz carp.

Jamie Wood put in a 24-hour stint on Little Hayes to catch six carp to 21lb, while Gary Turner caught a 22lb 6oz common carp during an afternoon session.

Over on Big Hayes, James Barker landed four carp to 4lb 8oz, and Sam Barker banked six carp to 20lb 10oz. Successful bait for both anglers was CC Moore Live system.

Save money with natural products

Ruggles & Stopitall focus on multi-tasking natural products and "engine foods", a select few products that go to a body's core and do numerous jobs for no extra cost, including calming itchy skin and benefiting joints, simultaneously; all with no harsh chemicals.

Whether for horses, donkeys, dogs, cats, farm animals or humans, the natural and multi-tasking product ranges deliver gentle and non-invasive options for many health challenges.

Products include the anti-fly, flea, mite, lice and itching Ruggle-it range (pets, large and farm animals, humans); Protexin probiotics (all species – simultaneously

helping gut, immune, skin, joints); joint care with intensive-Omega 3 not OM6 (humans and animals); Vitamin D (human – immune, joint, energy, mood) an organic superfood green barley grass (animal, human – minerals, joints, immune, skin, energy).

Working with smart products that encourage bodies to better cope with multiple issues simultaneously is clever, immune supportive and cost-effective.
