Stop-it-All - great for [Muddy Situations] & [Summer Itching]!

Rachel Wadge *farm'n' equine's* display advertising sales says: "I have got two ponies that have been suffering from [redacted] and I have been unable to clear it up, having tried lots of different treatments - and spent lots of money! After six days of using Stop-it-All both ponies' heels have cleared up and stayed that way. I have also used the product as a fly repellent and found it very effective."
