Hi Karen,

I am constantly telling people how wonderful your products are, but many of them just nick a bit of mine! Hopefully they will be future customers for you.

I use the shampoo on my horses tail all the time now and have never had the itchy scabby problem since. I used the oil initially, quite messy as he is a grey show horse\*\* [KR: yep...it's a definite knack on greys!] but shampoo has been sufficient since.

My little Ruby King Charles Cavalier Spaniel used to suffer from itchy [REDACTED] [agitated skin] and was almost bald on her tummy area but since using your products she has glowing skin and a really shiny full coat. Thank you so much for your brilliant preparations,

Regards Pauline

\*\* The picture of Shar Pasha at the National Sidesaddle Show is of my 15year old son competing in the pas de soeur. It reflects the history of men riding sidesaddle and he is dressed as a wounded returning war hero. Many of these returning soldiers were unable to ride astride because of their injuries and adopted riding sidesaddle to overcome their war wounds. He has done extremely well and as well as being the champion gentleman sidesaddle rider for a number of years, was also the Northern Sidesaddle Group Junior champion.
